**This is a reminder about the Withdrawal Limit Fee.** The Withdrawal Limit Fee of \$5 for Truist savings accounts and \$15 for Truist money market accounts is assessed per withdrawal over six with a maximum of six withdrawal limit fees per statement cycle. The Withdrawal Limit Fee applies, regardless of the balance, to all withdrawals and transfers made from a Truist personal savings and/or money market account including those made at a branch, ATM, by mail or through any electronic means.

Quick tips on avoiding the Withdrawal Limit Fee:

- Use Online or Mobile Banking to monitor the number of withdrawals/transfer made during your monthly statement cycle
- Link any automatic transfers or recurring transactions such as bill payments to your checking account
- Setting up Low Balance Alerts to avoid Overdraft Protection transfers to protected accounts which count toward the Withdrawal Limit Fee
- To avoid frequent withdrawals/transfers, try making one or two larger withdrawals/transfers from savings and money market accounts

For more information regarding your account see the Truist Personal Deposit Accounts Fee Schedule or Bank Services Agreement.

### Electronic fund transfers (For Consumer Accounts Only. Commercial Accounts refer to the Commercial Bank Services Agreement.)

Services such as Bill Payments and Zelle® are subject to the terms and conditions governing those services, which may not provide an error resolution process in all cases. Please refer to the terms and conditions for those services.

In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, IMMEDIATELY call 1-844-487-8478 or write to:

Fraud Management  
P.O. Box 1014  
Charlotte, NC 28201

Tell us as soon as you can, if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and deposit account number (if any)
- Describe the error or transfer you are unsure of, and explain as clearly as you can why you believe it is an error or why you need more information
- Tell us the dollar amount of the suspected error

If you tell us orally, we may require that you also send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you, and we will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or questions for ATM transactions made within the United States and up to ninety (90) days for new accounts, foreign initiated transactions and point-of-sale transactions. If we decide to do this, we will re-credit your account within ten (10) business days for the amount you think is in error, minus a maximum of \$50. If we ask you to put your complaint in writing, and we do not receive it within ten (10) business days, we may not re-credit your account and you will not have use of the money during the time it takes us to complete our investigation.

Tell us AT ONCE if you believe your access device has been lost or stolen, or someone may have electronically transferred money from your account without your permission, or someone has used information from a check to conduct an unauthorized electronic fund transfer. If you tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, you can lose no more than \$50 if someone makes electronic transfers without your permission.

If you do NOT tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, and we can prove we could

have stopped someone from making electronic transfers without your permission if you had told us, you could lose as much as \$500. Also, if your periodic statement shows transfers you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after sixty (60) days if we can prove we could have stopped someone from taking the money if you had told us in time.

### Important information about your Truist Ready Now Credit Line Account

Once advances are made from your Truist Ready Now Credit Line Account, an INTEREST CHARGE will automatically be imposed on the account's outstanding "Average daily balance." The INTEREST CHARGE is calculated by applying the "Daily periodic rate" to the "Average daily balance" of your account (including current transactions) and multiplying this figure by the number of days in the billing cycle. To get the "Average daily balance," we take the beginning account balance each day, add any new advances or debits, and subtract any payments or credits and the last unpaid INTEREST CHARGE. This gives us the daily balance. Then we add all of the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average daily balance."

### Billing Rights Summary

#### In case of errors or questions about your Truist Ready Now Credit Line statement

If you think your statement is incorrect, or if you need more information about a Truist Ready Now Credit Line transaction on your statement, please call 1-844-4TRUIST or visit your local Truist branch. To dispute a payment, please write to us on a separate sheet of paper at the following address:

Card and Direct to Consumer Lending  
PO Box 200  
Wilson NC 27894-0200

We must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the error or problem appeared. You may telephone us, but doing so will not preserve your rights. In your letter, please provide the following information:

- Your name and account number
- Describe the error or transfer you are unsure about, and explain in detail why you believe this is an error or why you need more information
- The dollar amount of the suspected error

During our investigation process, you are not responsible for paying any amount in question; you are, however, obligated to pay the items on your statement that are not in question. **This is a reminder about the Withdrawal Limit Fee.** The Withdrawal Limit Fee of \$5 for Truist savings accounts and \$15 for Truist money market accounts is assessed per withdrawal over six with a maximum of six withdrawal limit fees per statement cycle. The Withdrawal Limit Fee applies, regardless of the balance, to all withdrawals and transfers made from a Truist personal savings and/or money market account including those made at a branch, ATM, by mail or through any electronic means.

Quick tips on avoiding the Withdrawal Limit Fee:

- Use Online or Mobile Banking to monitor the number of withdrawals/transfer made during your monthly statement cycle
- Link any automatic transfers or recurring transactions such as bill payments to your checking account

- 
- Setting up Low Balance Alerts to avoid Overdraft Protection transfers to protected accounts which count toward the Withdrawal Limit Fee
  - To avoid frequent withdrawals/transfers, try making one or two larger withdrawals/transfers from savings and money market accounts

For more information regarding your account see the Truist Personal Deposit Accounts Fee Schedule or Bank Services Agreement.

### Electronic fund transfers (For Consumer Accounts Only. Commercial Accounts refer to the Commercial Bank Services Agreement.)

Services such as Bill Payments and Zelle® are subject to the terms and conditions governing those services, which may not provide an error resolution process in all cases. Please refer to the terms and conditions for those services.

In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, IMMEDIATELY call 1-844-487-8478 or write to:

Fraud Management  
P.O. Box 1014  
Charlotte, NC 28201

Tell us as soon as you can, if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and deposit account number (if any)
- Describe the error or transfer you are unsure of, and explain as clearly as you can why you believe it is an error or why you need more information
- Tell us the dollar amount of the suspected error

If you tell us orally, we may require that you also send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you, and we will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or questions for ATM transactions made within the United States and up to ninety (90) days for new accounts, foreign initiated transactions and point-of-sale transactions. If we decide to do this, we will re-credit your account within ten (10) business days for the amount you think is in error, minus a maximum of \$50. If we ask you to put your complaint in writing, and we do not receive it within ten (10) business days, we may not re-credit your account and you will not have use of the money during the time it takes us to complete our investigation.

Tell us AT ONCE if you believe your access device has been lost or stolen, or someone may have electronically transferred money from your account without your permission, or someone has used information from a check to conduct an unauthorized electronic fund transfer. If you tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, you can lose no more than \$50 if someone makes electronic transfers without your permission.

If you do NOT tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, and we can prove we could

have stopped someone from making electronic transfers without your permission if you had told us, you could lose as much as \$500. Also, if your periodic statement shows transfers you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after sixty (60) days if we can prove we could have stopped someone from taking the money if you had told us in time.

### Important information about your Truist Ready Now Credit Line Account

Once advances are made from your Truist Ready Now Credit Line Account, an INTEREST CHARGE will automatically be imposed on the account's outstanding "Average daily balance." The INTEREST CHARGE is calculated by applying the "Daily periodic rate" to the "Average daily balance" of your account (including current transactions) and multiplying this figure by the number of days in the billing cycle. To get the "Average daily balance," we take the beginning account balance each day, add any new advances or debits, and subtract any payments or credits and the last unpaid INTEREST CHARGE. This gives us the daily balance. Then we add all of the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average daily balance."

### Billing Rights Summary

#### In case of errors or questions about your Truist Ready Now Credit Line statement

If you think your statement is incorrect, or if you need more information about a Truist Ready Now Credit Line transaction on your statement, please call 1-844-4TRUIST or visit your local Truist branch. To dispute a payment, please write to us on a separate sheet of paper at the following address:

Card and Direct to Consumer Lending

We must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the error or problem appeared. You may telephone us, but doing so will not preserve your rights. In your letter, please provide the following information:

- Your name and account number
- Describe the error or transfer you are unsure about, and explain in detail why you believe this is an error or why you need more information
- The dollar amount of the suspected error

**This is a reminder about the Withdrawal Limit Fee.** The Withdrawal Limit Fee of \$5 for Truist savings accounts and \$15 for Truist money market accounts is assessed per withdrawal over six with a maximum of six withdrawal limit fees per statement cycle. The Withdrawal Limit Fee applies, regardless of the balance, to all withdrawals and transfers made from a Truist personal savings and/or money market account including those made at a branch, ATM, by mail or through any electronic means.

Quick tips on avoiding the Withdrawal Limit Fee:

- Use Online or Mobile Banking to monitor the number of withdrawals/transfer made during your monthly statement cycle
- Link any automatic transfers or recurring transactions such as bill payments to your checking account
- Setting up Low Balance Alerts to avoid Overdraft Protection transfers to protected accounts which count toward the Withdrawal Limit Fee
- To avoid frequent withdrawals/transfers, try making one or two larger withdrawals/transfers from savings and money market accounts

For more information regarding your account see the Truist Personal Deposit Accounts Fee Schedule or Bank Services Agreement.

### Electronic fund transfers (For Consumer Accounts Only. Commercial Accounts refer to the Commercial Bank Services Agreement.)

Services such as Bill Payments and Zelle® are subject to the terms and conditions governing those services, which may not provide an error resolution process in all cases. Please refer to the terms and conditions for those services.

In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, IMMEDIATELY call 1-844-487-8478 or write to:

Fraud Management  
P.O. Box 1014  
Charlotte, NC 28201

Tell us as soon as you can, if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and deposit account number (if any)
- Describe the error or transfer you are unsure of, and explain as clearly as you can why you believe it is an error or why you need more information
- Tell us the dollar amount of the suspected error

If you tell us orally, we may require that you also send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you, and we will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or questions for ATM transactions made within the United States and up to ninety (90) days for new accounts, foreign initiated transactions and point-of-sale transactions. If we decide to do this, we will re-credit your account within ten (10) business days for the amount you think is in error, minus a maximum of \$50. If we ask you to put your complaint in writing, and we do not receive it within ten (10) business days, we may not re-credit your account and you will not have use of the money during the time it takes us to complete our investigation.

Tell us AT ONCE if you believe your access device has been lost or stolen, or someone may have electronically transferred money from your account without your permission, or someone has used information from a check to conduct an unauthorized electronic fund transfer. If you tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, you can lose no more than \$50 if someone makes electronic transfers without your permission.

If you do NOT tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, and we can prove we could

have stopped someone from making electronic transfers without your permission if you had told us, you could lose as much as \$500. Also, if your periodic statement shows transfers you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after sixty (60) days if we can prove we could have stopped someone from taking the money if you had told us in time.

### Important information about your Truist Ready Now Credit Line Account

Once advances are made from your Truist Ready Now Credit Line Account, an INTEREST CHARGE will automatically be imposed on the account's outstanding "Average daily balance." The INTEREST CHARGE is calculated by applying the "Daily periodic rate" to the "Average daily balance" of your account (including current transactions) and multiplying this figure by the number of days in the billing cycle. To get the "Average daily balance," we take the beginning account balance each day, add any new advances or debits, and subtract any payments or credits and the last unpaid INTEREST CHARGE. This gives us the daily balance. Then we add all of the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average daily balance."

wal Limit Fee of \$5 for Truist savings accounts and \$15 for Truist money market accounts is assessed per withdrawal over six with a maximum of six withdrawal limit fees per statement cycle. The Withdrawal Limit Fee applies, regardless of the balance, to all withdrawals and transfers made from a Truist personal savings and/or money market account including those made at a branch, ATM, by mail or through any electronic means.

Quick tips on avoiding the Withdrawal Limit Fee:

- Use Online or Mobile Banking to monitor the number of withdrawals/transfers made during your monthly statement cycle
- Link any automatic transfers or recurring transactions such as bill payments to your checking account
- Setting up Low Balance Alerts to avoid Overdraft Protection transfers to protected accounts which count toward the Withdrawal Limit Fee
- To avoid frequent withdrawals/transfers, try making one or two larger withdrawals/transfers from savings and money market accounts

For more information regarding your account see the Truist Personal Deposit Accounts Fee Schedule or Bank Services Agreement.

### Electronic fund transfers (For Consumer Accounts Only. Commercial Accounts refer to the Commercial Bank Services Agreement.)

Services such as Bill Payments and Zelle® are subject to the terms and conditions governing those services, which may not provide an error resolution process in all cases. Please refer to the terms and conditions for those services.

In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, IMMEDIATELY call 1-844-487-8478 or write to:

Fraud Management  
P.O. Box 1014  
Charlotte, NC 28201

Tell us as soon as you can, if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and deposit account number (if any)
- Describe the error or transfer you are unsure of, and explain as clearly as you can why you believe it is an error or why you need more information
- Tell us the dollar amount of the suspected error

If you tell us orally, we may require that you also send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you, and we will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or questions for ATM transactions made within the United States and up to ninety (90) days for new accounts, foreign initiated transactions and point-of-sale transactions. If we decide to do this, we will re-credit your account within ten (10) business days for the amount you think is in error, minus a maximum of \$50. If we ask you to put your complaint in writing, and we do not receive it within ten (10) business days, we may not re-credit your account and you will not have use of the money during the time it takes us to complete our investigation.

Tell us AT ONCE if you believe your access device has been lost or stolen, or someone may have electronically transferred money from your account without your permission, or someone has used information from a check to conduct an unauthorized electronic fund transfer. If you tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, you can lose no more than \$50 if someone makes electronic transfers without your permission.

If you do NOT tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, and we can prove we could

have stopped someone from making electronic transfers without your permission if you had told us, you could lose as much as \$500. Also, if your periodic statement shows transfers you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after sixty (60) days if we can prove we could have stopped someone from taking the money if you had told us in time.

### Important information about your Truist Ready Now Credit Line Account

Once advances are made from your Truist Ready Now Credit Line Account, an INTEREST CHARGE will automatically be imposed on the account's outstanding "Average daily balance." The INTEREST CHARGE is calculated by applying the "Daily periodic rate" to the "Average daily balance" of your account (including current transactions) and multiplying this figure by the number of days in the billing cycle. To get the "Average daily balance," we take the beginning account balance each day, add any new advances or debits, and subtract any payments or credits and the last unpaid INTEREST CHARGE. This gives us the daily balance. Then we add all of the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average daily balance."

We must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the error or problem appeared. You may telephone us, but doing so will not preserve your rights. In your letter, please provide the following information:

- Your name and account number
- Describe the error or transfer you are unsure about, and explain in detail why you believe this is an error or why you need more information
